- Most models available in Forest Green or Desert Tan
- 604 and 614 forest green color only
- Custom sizes available upon request
- Heat cables in 6' and 12' lengths available

- **CUSTOM EMBOSSED POLYETHYLENE**

UV protection for long term exposure, durable and flexible for easy install and removal. 1 year warranty.

- **COMMERCIAL INSULATION**

Fully encapsulated R-13 commercial insulation tested and documented performance. Base of pouch is open and secured with fastener.

- **FULLY HEAT WELDED SEAMS**

Heat sealed protection eliminates any stitching which allows moisture penetration and ultimately degradation.

- **NICKEL PLATED GROMMET**

Cross contamination eliminated with grommet installation compared to hook and loop. Easy fit and function.

- **WORKS GREAT WITH MOCK ROCKS**

Each Insulated Pouch is designed to work in conjunction with our entire line of Mock Rock enclosures for additional protection and aesthetics or durable enough to work by themselves!

- **MADE IN THE USA**

proudly designed and produced right here in Wisconsin. Allows for quick turnaround and custom applications. Includes HD reusable fastener!
