

PENOFIN PRO-TECH BRIGHTENER

STEP THREE

PRODUCT DATA SHEET

PENOFIN PRO-TECH CLEANER:

Annihilates tough tannin stains, water marks, and removes mill glaze from all types of wood decking, siding, and fences. Penofin Pro-Tech Brightener reestablishes the pH balance of your wood after stripping and cleaning and brightens gray weathered wood to bring back that mill-bright color. This product is biodegradable, nonflammable, and contains no VOC's.

PENOFIN PRO-TECH BRIGHTENER APPLICATIONS:

- ◆ Decks
- ◆ Siding
- ◆ Fencing
- ◆ Stucco
- ◆ Furniture
- ◆ Wood Art
- ◆ Glass and Tile
- ◆ Doors
- ◆ Fiberglass
- ◆ Window Trim
- ◆ Furniture Cushions

TECHNICAL DATA:

VOC: 0

Installation Temperature: No Temperature Restrictions

Dry to Touch: 24 hours

Available Container Sizes: Quart & Gallon

Applications per Quart: 4 (approximately)

Applications per Gallon: 16 (approximately)

Solution Coverage: Approximately 300-400sq. ft. per gallon.

SURFACE PREPARATION:

Sweep the surface with a stiff broom or use a blower to clean area of debris. Use Penofin Pro-Tech Stripper Step #1 if needed to remove old stain. If the previous product was a brand other than Penofin, use a general wood or acrylic stripper. Follow the wood stripper with the **Penofin Pro-Tech Cleaner #2** to prepare the area. **Penofin Pro-Tech Brightener #3** is the most effective when wood is not hot to the touch. Protect bordering metal surfaces when using at high concentrations. Dampen surrounding vegetation with water.

APPLICATION:

Pour one to two cups of **Penofin Pro-Tech Brightener #3** into a gallon of clean warm/hot water, and mix. Apply liberally using a plastic pump up sprayer. For best results **DO NOT ALLOW THE SOLUTION TO DRY ON THE SURFACES**. Mist occasionally (for best results with more solution) as the solution sets for 20 minutes. Rinse thoroughly with clean water.

ALWAYS WEAR RUBBER GLOVES, EYE PROTECTION, AND SOLID SHOES WHEN APPLYING. SURFACE WILL BE SLIPPERY. DO NOT IRRITATE MUCOUS MEMBRANES, MAKE NOSE RUN, AND EYES WATER.

CLEAN -UP:

- ◆ Thoroughly rinse all equipment with water.
- ◆ Store any unused Penofin Pro-Tech Wood Brightener#3 in its original container.
- ◆ Do not transfer to metal container as it will cause a chemical reaction.
- ◆ Protect from freezing.
- ◆ For disposal of unused product and empty containers, contact your local household refuse collection service.
